I ain't trynna go back to that shit  
I robbed a plug, for 40 bricks  
And I ain't never finna pay the nigga shit

She on my dick  
Say I'm the shit  
But she know that she's another nigga bitch  
Ice on my wrist  
Ice on my dick  
200ks every time that I piss

My pocket bulgin nigga  
That's why she buggin me  
Yeah I'm a kill a nigga, but still they muggin me  
I know these niggas love to see me go back in custody  
And say I like to start shit but I'm not with the fuckery

Don't talk about my last crime  
I smoke just to pass time  
And I can't let ya pass by  
Cause baby girl, you too fine  
East Atlanta gangsta I ain't trynna get my phone [taken?]   
My home boy tried to steal from me  
That's why he got 4 fingers  
Cookin with a clothes hanger, Eat it like he stole something  
Ask me can he hold some, I told him I can find him some  
Called him for la mount of some  
Turned into the punisher  
Call your auntie or your uncle bitch you better get my money up!

I reminse when I was broke  
I ain't trynna go back to that shit  
I robbed a plug, for 40 bricks  
And I ain't never finna pay the nigga shit

She on my dick  
Say I'm the shit  
But she know that she's another nigga bitch  
Ice on my wrist  
Ice on my dick  
200ks every time that I piss

Whippin in bed  
Whippin in bed  
My baby mad she woke up told me it's a brick in the bed  
I told her don't sleep all wild tonight there's a stick in the bed  
And if them folks run in here tonight I just might take off they leg  
I cook a brick real good  
But I can't cook a egg

They said I failed a piss test but I went smokin on reggie  
They say the feds on the walk but I'm 3 steps ahead  
They say the nigga on the building might jump off the ledge  
They say that guwop did that, yeah is that what they said?  
But guwop bring the 9 give 10 what he said

I'm at the house 90% of the time, I'm countin up my bread  
I'm at the house 90% of the time, I'm countin up my bread

I reminse when I was broke  
I ain't trynna go back to that shit  
I robbed a plug, for 40 bricks  
And I ain't never finna pay the nigga shit

She on my dick  
Say I'm the shit
