Swag and OG bags of gas help me run my cash up
They tried to laugh at me, but Bugga help me get the last laugh

I can pause, replay a nigga in your motherfucking lip
But them niggas and them shitting and went through the hood, no good
What's a skrippa to a motherfucking million dollar nigga?
Big Guwop, hands off me, nigga, you know I'll go sneak in with this p

I'm just walking 'round the club leaving traces of blood
Drinking lean out the mug, got a four in my jug
Cold slugs in my mouth, nigga shout out to Thug
Ain't took a shower in three days, hundred keys in the tub

Sixty Thousand dollars everytime my phone ring
Super-bad bitch, she just dropped off another fourteen
Quarter million dollars, spent that on that wine ring
In a ring full of lions, I'm the Lion King

Sixty Thousand dollars everytime my phone ring
Super-bad bitch, she just dropped off another fourteen
Quarter million dollars, spent that on that wine ring
In a ring full of lions, I'm the Lion King

And I boss you like a ring, Guwop got a ring to it
I feel like the king, put the hook on and Kareem through it
Fancy footwork on my queen, might do it like a king do it
In 95, I bought a regal man that was clean Buick
You ain't find another ho moving
Beat your featured mood, ho
Move your shoes, you know you ain't gonna do it do no
If a bunch of bees was trying to sting ya, I would through a rock at
