Gucci Mane

Walk up in the kitchen, see saran wrap
I know what to do with the saran wrap
Bricks, they wrapped up in saran wrap
Trapping out the bando with saran wrap

Got them bricks and them chickens in saran wrap

You can get a chicken wrapped like McDonalds
I'm trapping, I'm selling the fishes, I'm working at Benihanas
The birds they fly from Japan, man I can't wait when they land
I'm unwrapping the saran
The Js go crazy, I'm weighing the baby like 1980s
I pull up, gold rings on, in a drop Mercedes
Your bitch bad, she in the kitchen, her wrist go crazy
Don't try to tell me I'm a gram short, nigga I just weighed it
My niggas is animals, eat you up like cannibals
I play with so much saran, Tony Montana
I skkrt in a Phantom, excuse my manners
I'm whipping up batter, I'm balling like batter

Walk up in the kitchen, see saran wrap
I know what to do with the saran wrap
Bricks, they wrapped up in saran wrap
Trapping out the bando with saran wrap

I done dropped the top on my car, now it's naked
Got a blunt stored with like four grams of cookie

Beating them babies up like they was getting a whipping
Gucci had on mink, his back look like it's crooked
I got this wicked watch on me, call me a 50
I keep that chopper with me cause the game's so wicked
I hit the gas mask out the lot, now man I'm twisted, twisted
Ganja smoke, I know y'all niggas smell me, smell me
Ain't no thing that no one else can tell me, tell me
