A lot of girls can't stand me  
They don't really understand me  
Can't get half of my phantom

Lost my homie to gun fire  
Nigga part of my empire  
Every since that day, I've been riding late like a vampire  
People say I'm a addict, got a lot of bad habits.

Shout out to my jeweler damn he such a good jeweler  
shout out to my shooter, damn ya such a good shooter  
everytime i ride clean bumper to bumper  
Every time that I slide throw my top in the dumpster  
I'm OG ..got more guns that
