If we catch a opp slippin', he gone, ate it
Fresh up outta prison, my auntie house like a acre
Section 8 apartment, convicted felons couldn't stay there
So I gotta go fuck on this lil' ho and try to lay there
I'm out here fully loaded, shit, fully focused on fakes here
Jumped off the porch at fourteen, my mama told me, "Take care"
My uncle taught me to take somethin', hustle like your stepdaddy

Mama, she a felon too, she on parole, fuck check actions
Pistol play'll turn your block party to a pep rally
They say I got the snowiest puppet, I ain't had no grandma
Now I got them dumbs huntin', I ain't gotta point nothin'
And the trap hangin' like plankings in a train bucket (Train bucket)
