

# This the Night

Gucci Mane

Southside on the track, yeah  
Huh, Knieval

Startin' with the speakers blarin', in that new McLaren  
I'm startin' off my day with that glacier-blue McLaren  
Gucci Mane, my status international (Wop)  
Calm, real calm, but my shooters are irrational, ugh  
Had my share of foreigners, internationals, huh  
She exotic but I like it when it's natural (Mwah, mwah)  
I'm not regular, naw, I'm not typical (Hell nah)  
It's so challenging to them, it's not difficult (It's easy), huh  
I'ma keep it trill with you, want a billion (I want a bill'), huh  
First a hundred million, naw, it's not difficult (Hundred million), huh

This the night  
My jewelry shinin' bright  
My haters feelin' slighted  
'Cause they know it's different prices, huh, huh  
This the night, huh  
We ain't come to play  
Yeah, my bitch she came to slay, yeah  
We ain't come to stay, nah, nah  
This the night  
My jewelry shinin' bright  
These haters feelin' slighted  
'Cause they know it's different prices, huh, huh  
This the night  
I'm rockin' crazy ice (Yeah, huh)  
I live a crazy life (It's Gucci)  
You live a crazy life, burr, burr

New whip alert, I pull up and they feelings hurt (Damn)  
She ain't said nothin' but her booty flirtin' (Damn)  
I rock minks in summertime, like fuck the temperature (Burr)  
He don't wanna say it but he gettin' nervous (Hah)  
'Cause it's night time, the freaks come out at night (At night)  
They plottin' to take your shine, don't let 'em snatch your ice (Huh?)  
I flood the pipeline, fresh off the flight with white  
My car talk back to me, I think I'm Michael Knight (Michael Knight)  
Brand new house alert, the drapes'll make you die (They're to die for)  
Custom watch alert, baguettes, it took some time (Took some time)  
Please don't stare too long, it might just make you blind (Make you blind)  
I got out right in time, it's Guwop time to shine (Time to shine)

This the night
