

Azzurra

Gui Boratto

I just want you to feel this way and it breaks me inside
All I know, it is not the same what I'm feeling tonight
I just want you to feel this way and we fear suicide
All I know, it is not the same, I'm afraid to hide
(Synth solo)

I just want you to feel this way and it breaks me inside
All I know, it is not the same what I'm feeling tonight
I just want you to feel this way and we fear suicide
All I know, it is not the same, I'm afraid to hide
