

All Around The World

Guided by Voices

All around the world
You know that people are get together
And you're my little girl
So show your games and we should be together

I don't know, any of them
Falling in love
I don't know
Figure it out for yourself

All around the world
People are get together
Oh, my little girl
And shouldn't we be get together

I don't know, any of them
Falling in love with you
I don't know
Visitors, I dream

That all around the world
All around the world
All around the world
All around the world
It seems believers
