

Arthur Has Business Elsewhere

Guided by Voices

He likes to run around
Because he's played up this old town

Arthur has business elsewhere
Arthur has business elsewhere

He says somewhere is taking place
Both sides of all people you face

Arthur has business elsewhere
Arthur has business elsewhere

Now can you see
That should be what you would want to be?

Arthur has business elsewhere
Arthur has business elsewhere
Arthur has business (Is he living there?)
Elsewhere
Arthur has business (Even on Earth?)
Elsewhere
