Guided by Voices

The lifeblood lighthouse flashing
Sixteen chicks remain on watch

Sopor Joe, you oughta know
How to move fast and how to move slow

Here come the fantasy creeps
They're all around you
They're here to give you the creeps
They've come to hound you

Back to Saturn X

We are having the time of our lives
We are having the time of your lives

All the way (ooh la, la la la)
To the walls (oh)

Anything for free
Anything for free

Off and onward

In the chance I took, I'm a broken horse
I'm the one who's no good in your eyes
