

## Bee Thousand

Guided by Voices

Weeble, weeble, weeble, weeble

Learn how to crawl in, now, ever free  
How can you write that one-two-three?  
I bet you bought the films in school  
Make good with getting stuff for free

Weeble, weeble, weeble, weeble

And if a human business grew  
Why does the fly just appear in the room?  
That you can pull out just to strike her  
Talk about being with Jesus!

Weeble, weeble, weeble, weeble
