

## Better Odds

Guided by Voices

Would you cut us off if we let cha?  
Would you make a scene? Oh, I bet cha  
Having better odds on less production

Would you kiss a snake if I held it?  
You caused an earthquake, yeah, I felt it  
Drawing out a plan of your construction  
More or less, a real reduction

Okay  
Alright  
Someone call it a night  
Breaky makes a curtain call  
Break a leg or take a fall  
Or now it's lights out

Would you make an exception for me if I owed ya?  
Good for it? Oh, I haven't yet sold ya  
Having better odds on less production  
More or less, a real reduction
