

## Broadcastor House

Guided by Voices

Broadcastor house  
I want to blow  
All step back  
And give me room

New age barkers are marching  
See them though, I saw them  
They are there

Broadcastor house  
I want to blow  
All stand back  
And give me some room

And broadcastor house  
I want to blow  
All stand back  
And give me some room
