

## Closer You Are

Guided by Voices

Chain smoke rings like a vapor snake kiss  
She says she don't know why  
The closer you are the quicker it hits you  
Closer you are the quicker it hits you  
Now you can see the boys dreaming, scheming

You play the heavy  
It's a real slick movie move  
"Stoned at the Alamo" tonight  
The closer you are the quicker it hits you  
Try to be nice and look what it gets you  
Now you can see the boys dreaming, scheming
