

Cool Jewels and Aprons

Guided by Voices

"Cool jewels and aprons"

Cool jewels and aprons
Radical headrest and see I knows

But if you go I'll let you know
You'll do me low
You can not go without your pants
Don't take them off

Way out an Aspen
Shepherd told the truth of the UFO

And if you know I'll have you go
You move in slow
I'll pick you out
And if you asked
I'll know the answer
Know the answer
Know the answer
