

Crybaby 4-Star Hotel

Guided by Voices

She started crying
Look where I fell
Into the Crybaby 4-Star Hotel

And all days are gone
A light finally found us

Exploding money
Zero postal
At the Crybaby 4-Star Hotel

Will you find her shoes?
That key will find it
When I sat around to stretch out a yawn
After yawn

Go for an answer
Look what I found
At the Crybaby 4-Star Hotel

Will you find her shoes?
That key will find it
When I sat around to stretch out a yawn
After yawn

Struck your malleable
Face them but
Don't practice with my player
