

Deaf Dumb And Blind Girl

Guided by Voices

She cannot know that I have blood
She cannot know that I have pain
She cannot tell
She cannot say
She cannot know

She cannot know with lovers' eyes
She cannot know the mystery
How do you get there?
How do you stay there?
She cannot go
She cannot go

Deaf dumb and blind girl
She cannot know
Deaf dumb and blind girl
She cannot know
She cannot know
Deaf dumb and blind girl
Deaf dumb and blind girl
