

Diver Dan

Guided by Voices

We dug them beyond
So we crashed here
She blinks as wakes up
To better problems

Take a shot with your eyes down
Gaze into the water Diver Dan
Take a shot with your eyes down
Gaze into the water Diver Dan, Dan, Dan

Tiny bars and dirty balloons
Diver Dan has it all in his hands
There's a plank well beyond the fields
His mind will be blank for nothing it yields

Take a shot with your eyes down
Gaze into the water Diver Dan
Take a shot with your eyes down
Gaze into the water Diver Dan, Dan, Dan

Diver Dan
Diver Dan
Diver Dan, yeah

Diver Dan
Diver Dan
Diver Dan, yeah

Diver Dan
Diver Dan
Diver Dan, yeah

Take a shot with your eyes down
Gaze into the water Diver Dan
Take a shot with your eyes down
Gaze into the water Diver Dan, Dan, Dan
