

Do Be

Guided by Voices

Well, do be my darling
Do be my baby
Do be my darling
Do be my baby

When the river goes on the [?]
I will need you closer
Well, do be my darling
Do be my baby

Do be my darling
Do be my baby

If I was stronger than a poor man
I would shout it over
Well, would you be my darling
Would you baby

Would you be my darling
Would you be my baby
