Guided by Voices

Eloise, Eloise  
I'm running and it's better  
But you just don't please

Eloise, Eloise  
I'm loving and in my heart  
What you mean to me

I want you by my side  
You're laughing and I'm crying

So if you were to go away  
Eloise  
You'll know I'll die

Eloise, Eloise  
Eloise, Eloise  
Eloise, Eloise

Eloise, Eloise  
Your just a silly girl  
But your just so hard to please

Eloise, Eloise  
Why do I have to go down on my knees?

I want you by my side  
You're laughing and I'm crying

So if you were to go away  
Eloise  
You'll know I'll die

Eloise, Eloise  
Eloise, Eloise  
Eloise, Eloise  
Eloise, Eloise  
I'm trying to get better  
But you don't just please
