

# Excellent Things

Guided by Voices

Mirrors reflect only what we expect  
Just what we wanna see  
Clothes looking fresh  
Cotton, Rayon, and Mesh  
Household warm and germ free

I filled up a jar with colorful capsules  
Jewelry and rings  
Notice how we constantly thrive  
On excellent things

Came here to stay  
Incarnated I sway  
Toward material needs  
Television hums  
Busy hand pounds and strums  
Two or three knuckles bleed

Boats and trains and commercial flight airplanes  
That whistle and sing  
See how we persistently thrive on excellent things
