Hey, Bobby
Hey, Bobby
You know who this is?
Hey, Bobby. Tryin' see ya
Wanna see ya
Want to see Kim, too
You there? Answer the phone!
Answer the phone
Do it now! Right now!
Hey, Bobby. It's summertime

Baby girl, how can it be
Got kicked out of school did she go see
Danced a bit, smashed a bottle
[?] but she's not comin' home

Stay together, stay apart
'Cause fatherhoods a thankless art
Taking pills and alcohol
You can hear fists bangin' on the wall at the home
