

Hardcore UFO's

Guided by Voices

Sitting out on your house
Watching hardcore UFOs
Drawing pictures, playing solos till ten

Are you amplified to rock?
Are you hoping for a contact?
I'll be with you, without you, again

Turn and run, the angel's calling
You say when and I say I'm falling
Up and down through broken down buildings
Back and forth but please don't bother at all

Count the days that we have wasted from the start
Speak the words and build a playground in your head

Turn and run, the angel's calling
You say when and I say I'm falling
Up and down through broken down buildings
Back and forth but you know why I left you for so long
You know why I left you for so long
You know why I left you for so long
You know why I left you for so long.
