

Holy Rhythm

Guided by Voices

Stricken lame by vertigo
Gotta get it back up
Locomotive starter kit
That's it, the holy rhythm

Broken dreams after re-birth
Gotta get a new plate
Satisfy a hungry soul

Get full on the holy rhythm

Scattered souls released
Drunken ghosts
Down in the dance hall
Boogie men

With the holy rhythm

Broken dreams of broken men
Gotta find a new place
Scattered by a hundred holes
Lost souls

Got no holy rhythm

Ratted moles diseased
Sunken underground
Hear the last call

Boogie men
Need that holy rhythm
