

Hope Not

Guided by Voices

The tension was pretty tight leave you hangin without a fight
Give it all up cause theres no living in the world of Art
no giving, acquitting (are you quitting) (chorus) I certainly hope not
ohhh noooo (*3) ohhh ohhhh Theres so many things people say just to
help give it away (but get in the way) I wont try to figure things out
its complicated so when doubt (I did) I start crying stop
lying (trying) (chorus) Attracted to the light Everything will be
alright (Where everything with you - all right) Attracted to the
light Everything will be alright (Where everything will be) Attracted
to the light Everything will be alright
