

Instinct Dwelling

Guided by Voices

Crypto woman, thermometer child
Attic o'hair, Mr. Cox was odd
Said "Better not see your contraband
You'll wind up in La La Land"

Phenomenal
Impossible fellow
Skeleton yellow
Spy glasses until lunch

Until then, keep us here
Until then, keep us here

Front door lobbies for acronyms
L.A. gyms can pack 'em in

Until then, keep us here
Until then, keep us here

Rats Oasis at the whisky
Down the street there is violence
Tensions swelling
Stayed behind
Instinct dwelling

Until then, keep us here
Until then, keep us here
Until then, keep us here
Until then, keep us here
