

## Juggernaut Vs. Monolith

Guided by Voices

Not one thing stands in your way  
Not one thing brings you down  
Not one thing makes you stop drop and roll  
But I'll try

'Cause I'm a juggernaut and you're a monolith

Not one thing fares you well  
Not one thing psychs you/likes you  
Not one thing shoves you/loves you  
Like me

'Cause I'm a juggernaut and you're a monolith

Juggernaut vs. Monolith  
It's a deadlock, baby
