

Mr. Spoon

Guided by Voices

Oh, Mr. Spoon
I'll let you come into my presence
Oh, Mr. Spoon
How did you happen to free yourself from the friends you have
Free yourself from the enemies you make
Free yourself from the times you know
And I don't wanna take that cake
Into my lonely life
Into my lonely life

Mr. Spoon
Mr. Spoon, how did you remember me?
Please remember me
Oh, please remember me
Oh, please remember me

I will never come back to the tune
Oh, Mr. Spoon
