

My Dog Surprise

Guided by Voices

I'll give you my dog surprise, I will
I'll reckon one of these guys

With our fingers out of line pulled you in
With your wild eye wonder

I will come around and bake
Will you tell me what to do?

I'll give you my dog surprise, I will
They'll leave us alone in our lands

Then come down alone
We'll never be found
I'll give you back, someday

Someday
But not now
Out of my way now
Out of my way now
