

Particular Damaged

Guided by Voices

Drafted for the troops
We are of the other known providence
And leading us to the sensational flag
What's all a gag?
Inside of a bug
Sit in the traffic traffic and capture a tactic
I aim for the soup on a Lexington shopper
Gotta kill the coppers of the... God, whiskey knows
Oh, God, whiskey knows
God, whiskey knows, knows, knows, knows
(Okay)
Aim for the soup on a Lexington shopper
Gotta kill the coppers
Oh, God, whiskey knows
Oh, God, whiskey knows
Oh, God, whiskey knows, whiskey knows
