

Please Be Honest

Guided by Voices

Say this and level with me though
Make this all right and you will know
This is a load
You'd like to throw away
And go away
Today

Please be honest
You could come to a word
I should know

Shakespeare's honor
Take a plain English microphone
And broadcast
All you should know

Bet you wanted to test the waters
No?
I guess I wanted to know
If you'd be lying now
So...

Please be honest
And confess to a make believer priest
I'm a believer
I'll find an answer
And this my puzzle box guarantees
