He's alone, he's alive
This is not another fad
He's alone, he's alive
This is not another fad, no
He's alone, he's alive
This is not another fad
He's alone, he's alive
This is not another fad
He's alone, he's alive
This is not another fad
He's alone, he's alive
This is not another fad
He's alone, he's alive
This is not another fad

It's another day today, it's another day today
It's another day today, it's another day today

Radio show, radio show
Trust the wizard, here we go
