

# Raphael

Guided by Voices

All right, Raphael  
Put it on now, it's kind of cool  
Takes a notion, Raphael  
You're not a runaway, you're not a fool

You picked the wrong night, because she loves you  
Because it's alright, she'd be a rule  
You're not alone now, just keep your cool  
Got your ration, you got a tool

Yes I'm alright now, Raphael  
We go to ration, we make a tool  
You may come over, but not a sound  
Well alright now, Raphael

All of what you say is what you need  
We have what you want and what you come for

An adoration, Raphael  
I don't know you, it's kinda cool  
I don't know you, so go to hell  
Got your ransom, you're not a fool

Takes a notion, a sea of love  
A constellation, it's coming true  
Salvation Raphael  
Just waiting, it's coming through, yeah

All of what you say is what you need  
We have what you want and what you come for

Raphael, you took so long to come  
Keep coming back to when you gonna pay me  
We're going down to the hotel pool  
It's gonna rain and it's your lucky day, Raphael
