

## Record Level Love

Guided by Voices

Easy, it's not easy  
Before we do the curtain  
Tint my ride

Easy, it's not that easy  
Love can never know  
Shout on everything

Shout on everything that makes you feel alright

Easy, it's not that easy  
To go through the purpose  
In my mind

Love can never know  
Shout on everything

Shout on everything that makes you feel alright
