

Romeo Surgeon

Guided by Voices

Scaling the truckstop
Tracy had a breakthrough
I did too

Alleys and aisles of mystery
"Anesthetic permafrost - aisle 3"

Down at the drug store
Tracy had to slide through
White to blue

Rest easy in recovery
His finest discovery

The Romeo surgeon carries the heart's message
In his sterilized glove (ooh, ooh, ooh)
Massaged back to life by his message of love
Message of love

The Romeo surgeon carries the heart's message
In his sterilized glove (ooh, ooh, ooh)
Massaged back to life by his message of love
