

Scissors

Guided by Voices

All I ever want to have is
She said, no sir, just forget it
A time to figure out
Just what's goin' on

But it's not a bad thing
It's not a good thing

All my life I've wanted scissors
Not the kind that are so forgiving
Cigar box eraser bits
And that rusty tool

But it's not a bad thing
It's not a good thing
It's not a bad thing (it's not a bad thing)
It's not a good thing (it's not a good thing)
It's not a bad thing (it's not a bad thing)
It's not a good thing (it's not a good thing)
