

Shocker in Gloomtown

Guided by Voices

Were you there?
Were you kicking?
Alive in aisle twelve
Gimmick of the century
In boxes and jars
And giveaway cars
He's motioning for you

Twas a band
They were sickening
Arousing everyone
PS Dump Your Boyfriend
Promotional trash
Emotional bash
With helium balloons

So now tell me
How the hell did we miss it?
Bared his ass for all to see
And no one got to kiss it
