

Speak Like Men

Guided by Voices

Run, go down
Running is not knowing in the house
Stand, the cause
Working on the other side of the yard

And life is knowing all about yourself
It's not worth going through some public health
They're laughing at you anyways
So run

Speak like men
Going up to view the public inn
Find, the strength
Go the distance swim the total lane

And life is knowing all about yourself
It's not worth going through some public health
They're laughing at you anyways
So run

And life is knowing all about yourself
It's not worth going through some public health
They're laughing at you anyways
So run
Run
Run
Run
