

## Static Airplane Jive

Guided by Voices

Couple of brothers  
Met a guy named Tim  
Little manias and firebugs  
And this is what they said

Take a job for a little so while they're dead  
Bring it down to planetary  
You'll predict the task for free

You'll hear the buzz of the fuzz  
You'll be the talk of the town

Yeah  
[?] waste today  
Static airplane jive  
Static airplane jive  
Static airplane jive
