

Steely Dodger

Guided by Voices

Sweetened, untempered
Flesh lotus and moose
Chomping on chicken
On the back of a caboose
How did you find your way home?
How did you find your way home?

R. Thumb, watch him escape
He will be a steely dodger

Dislodging the bullet and racing the train
Object in motion with bicycle chain
How did you end your arrangement?
How did you break the engagement?

R. Thumb, watch him escape
He will be a steely dodger

The lone outcast in this culturati
The pit of reward is mysterious
I will be a good boy
Sorely the asses, hear them play
They're out their style today

R. Thumb pressing down
L. Thumb making no sound
He will be a steely dodger
Dodger
