

The Hearing Department

Guided by Voices

He went out
He got lost
Out of the war
In the hearing department

She's not good
Not so good
Very poor in the hearing department

In the hearing department
No communication
Total lack of communication
Total children

This goes on
This goes out
Out of control in the hearing department

Come again
Please repeat
The signal is weak
In the hearing department

In the hearing department
No communication
Total lack of communication
Total children

In the hearing department
Total children
For themselves
No one hears them

In the hearing department
No communication
Total lack of communication
Total children

In the hearing department
In the hearing department
In the hearing department
