

The Opposite Continues

Guided by Voices

Farther than the yields
Are what you expected
And what you think you know
Is where you must go
Stronger than the games
Where nothing still remains but
Only what you steal
It's how you must feel

And you must run
From heel to toe
Pretend to go
Pretend to know
The paradox within you
The (camel threat loom)
The inchworm treadmill
And you will
The opposite continues

When the opposite continues
