

## Third Grade Aviator

Guided by Voices

He's a neighbor  
Oh, he's well on the path  
Projection booth polymath  
Third Grade Aviator  
Fresh recruitment invader  
Otherwise goosed in the air  
Eiffel eyes  
Sir Isaac Newton camera  
Don't let him have it but give it the care  
Daily in the hair affair  
Selling wet prog for that  
He's an occupied giraffe  
Wetting his pants on his first romance  
In the virgin air  
What do you care?  
Why should you care?

That's Suitcase
