

# This Will Go On

Guided by Voices

The point at which I begin  
The hairs I split and destroy the mood  
And if you take a chance you'll see  
Stronger than a redwood tree

That this will go on  
This will go on

Like a rainbow  
Like a deck of cards  
Like a cast down shadow

As long as you can breathe in  
Dirt and solitude

This will go on  
Yeah, this will go on  
Yeah, this will go on  
Yeah, this will go on

As long as you can breathe in  
Dirt and solitude

This will go on  
Yeah, this will go on

Yeah, this will go on (This will go on)  
Yeah, this will go on (This will go on)  
Yeah, this will go on (Yeah, this will go on)  
Yeah, this will go on (Yeah, this will go on)  
Yeah, this will go on  
Yeah
