

# Throwing Down The Line

Guided by Voices

Noticing the change  
We are making time  
Everybody goes  
Everything is fine  
This is what we're told  
We are growing old  
So we must be blind  
Throwing down the line

Throwing down the line  
Throwing down the line  
Throwing down the line

Child knows being told  
How to be in love  
And all the [?] will seasons  
To be running by  
And long as its reasons  
To be in love

Noticing the love  
Kids are waling down  
We are taking notes  
This is not a sound  
If you must be young  
Get it all you will  
Telling it all down  
Letting us all know  
Throwing down the line

Throwing down the line  
Throwing down the line  
Throwing down the line
