

## Want One?

Guided by Voices

I want a positive hot gift  
Want one?  
A stone's clutch karma issue  
Want one?  
A nursery whip for men who skip

Ooh  
Want one?  
Ooh  
Want one?  
Ooh  
Want one?  
Yeah, baby, babe, I want one (ooh)

Living the dream of kings before children  
Come inside, I'll show you  
A ticket to sugar pie  
I want one  
A lesson before you die  
Yeah, gimme one  
Ooh, yeah, I want one  
Yeah, gimme one
