

Wave Starter

Guided by Voices

Get it out in the open
For everyone to see
Get it out in the open, have it out for me

Tell 'em 'bout the night we had
Tell 'em 'bout the ice-cream we had
Tell 'em 'bout the baby we had
And I want you
And I want you
To tell 'em 'bout me

Tell 'em 'bout the stand we made
Tell 'em 'bout the bed we made
Tell 'em 'bout the hand that we played
And I want you
And I want you
To tell 'em 'bout me
And I want you
And I want you
To tell 'em 'bout the ocean and the sea
The telepathic ocean
Get it out in the open
Tell 'em 'bout me
Tell 'em 'bout me
Tell 'em 'bout me
Yeah, tell 'em 'bout me
