

# Why Do You Stare Into The Sea

Guided by Voices

Tell me  
Tell it to me  
Whisper in my ear

They want us to hear  
But I gotta know  
Why do you stare into the sea?

Are you missing someone?  
Are you missing something?  
Do you want to go home?  
Do you want to go back?

Just let me know  
Why do you stare into the sea?  
And all of the people like me  
Who stare into the fast fishing sea  
Empty spaces

Tell it to me  
Whisper in my ear  
If you want no one else to hear you

I gotta know  
Why do you stare into the sea?

Are you missing someone?  
Are you missing something?  
Do you want to go home?  
Do you want to go back?

Just let me know  
Why do you stare into the sea?  
And all of the people like me  
Who stare into the fast fishing sea
