

## (You Can't Go Back To) Oxford Talawanda

Guided by Voices

Union wives at forty-eight  
Took that many years to still look great  
Now some saving grace, it's just no secret now

You can't go back to Oxford Talawanda  
Can't go back to Oxford Talawanda  
Never go back to Oxford Talawanda

Pledged allegiance, we will never  
But Alice told you it's forever  
You're not the kind of guy to say goodbye

You can't go back to Oxford Talawanda  
Can't go back to Oxford Talawanda  
Never go back to Oxford Talawanda

Celebration annual  
But you're not a Christmas lights display

You just can't go back to Oxford Talawanda  
Can't go back to Oxford Talawanda  
Never go back to Oxford Talawanda  
Just can't go back to Oxford Talawanda  
Can't go back to Oxford Talawanda  
Never go back to Oxford Talawanda  
You just can't go back to Oxford Talawanda  
Can't go back to Oxford Talawanda  
Never go back to Oxford Talawanda
