

# Long Road

Gun

When words they mean nothing and everything you say is wrong  
You tell me your happy turn around and I'll be gone  
You think about leaving, leaving when the going's good  
You think about heaven and everything it means to you

And I gave you hope and I showed you life  
Now you search for love in this world tonight  
And you run, and you hide  
There's a fire in your eyes

And I say life is like a long road  
With open arms we walk this long road  
Precious little angel promises are made  
The door is lying open here I go again

And I gave you hope, and I gave you love  
Now the change has come are you strong enough  
And you run and you hide  
There's a fire in your eyes

And I say life (Angel) is like a long road  
With open arms (Angel) we walk this long road

Bring me shelter, bring me truth  
You can turn it all around  
Break this silence, break this pain  
Help me turn it all around  
Am I talking to myself?

And I wait night and day  
I've seen love turn to hate  
Nothing's changed, looking back  
Is it so wrong to want what we can never have?

I say life (Angel) is like a long road  
To reach so high (Angel) we bow down so low

Precious little Angel, promises are made  
The door is lying open here I go again, again, again

I say life (Angel)  
And I say life (Angel)  
And I say life (Angel) Is like a long road  
And I say life (Angel)  
And I say life (Angel)  
And I say life (Angel) Is like a long road
